To whom it may concern,

I am writing to express my strong interest in the Help Desk Temp position at the Community Health Center. I am currently a student at Vinal Tech and will be graduating in 2019 with a diploma. I'm very interested in joining your team and applying my creativity and focus to an impressive company like the Community Health Center.

I believe that my academic and technical background and training has prepared me perfectly this position. While a student at Vinal Tech, I had the opportunity to learn a number of valuable skills such as a basic knowledge in Adobe and Microsoft Office programs that will undoubtedly contribute to my success in this role.

I look forward to making an impact at the Community Health Center right away. I've attached a resume, and look forward to hearing from you and further discussing this great opportunity. Thank you for your time and attention.

Sincerely,

Noah Calovis
